

# AQP® High Pressure Hose and Fittings

## AQP® High Pressure Hose and Fittings (Power Steering)

### Abrasion resistant fabric cover for longer life.

AQP High Pressure Hose is ideal for power steering, hydraulics, air, fuel, and lubricating oil applications. It has a blue abrasion resistant fabric cover and an AQP synthetic rubber inner tube. It uses standard steel and brass reusable fittings.

Applications: Power steering lines, hydraulics, air, gasoline, fuel and lubricating oils, over-the-wall air tools and DOT-approved air brake.

### HOSE SPECIFICATIONS

Hose Dash Size						Bulk Part Number	Package Length Part Number			
	INCHES	INCHES	PSI	INCHES	INCHES/HG		6 FEET	10 FEET	15 FEET	20 FEET
-06	.31	.67	2,250	4.00	28	FBG0600	FCG0606	FCG0610	FCG0615	FCG0620
-08	.41	.77	2,000	4.62	28	FBG0800	FCG0806	FCG0810	FCG0815	FCG0820
-10	.50	.92	1,750	5.50	28	FBG1000	FCG1006	FCG1010	FCG1015	FCG1020
-12	.62	1.08	1,500	6.50	28	FBG1200	FCG1206	FCG1210	FCG1215	FCG1220

### ORDERING INFORMATION

**Construction:** AQP elastomer inner tube, polyester inner braid, single wire-braid reinforcement and blue polyester braid cover.

**Temperature Range:** Suitable for many applications between -55 °F to +300 °F (-49 °C to +150 °C), except air +250 °F (+121 °C).

### STRAIGHT FITTING
